### Presentation

### wind of change le moteur citoyen

Dear Sir, Madam,

The EESC will see 2013 come to an end. Keeping in mind the crisis that has involved and preoccupied all of us this year, I will be pleased to welcome Christine Lagarde at our December plenary. The IMF Managing Director will take the time, for the first time, to come and talk to representatives of civil society in Europe, on actions aimed at restoring confidence, growth and jobs and at answering our questions.

One more step towards a more transparent dialogue with Europeans.

Wishing you a New Year full of hope!

**Henri MALOSSE,**  
EESC President
