

We strongly condemn the attack in Strasbourg

12/12/2018

Luca Jahier, EESC President

Statement by

We strongly condemn the attack in Strasbourg last night. A brutal and violent attack in the heart of a city in preparation for Christmas. It is with great emotion and compassion for the victims and their families that I write this condolence message to the French people.

My thoughts are also with all the injured people and the mobilised police forces. We defend together with France our values and open societies.
