

CoVE Skopje

Centre for Excellence in Green Innovation - CEGI

Asst. Prof. Dr. Trajce Velkovski

Head of CoVE in Green Innovation, Skopje

Faculty of Mechanical Engineering, Ss. Cyril and Methodius
University in Skopje, North Macedonia

About CEGI

Established in December 2021 as a body within the Faculty of Mechanical Engineering-Skopje, supported by the Erasmus+ project GREENOVET.

Our core team is comprised of representatives from five organisations:

- Ss. Cyril and Methodius University in Skopje
- National centre for development of innovation and entrepreneurial learning Skopje
- ASUC Boro Petrushevski
- Rade Koncar - TEP DOOEL Skopje
- Macedonian Chambers of Commerce

We are open for cooperation with any relevant entity that shares the same idea for innovative, inclusive and sustainable future.

About CEGI

MISSION

- To foster environmental, social and economic development in North Macedonia, through green and sustainable innovation processes enabled by VET excellence.

VISION

- CoVE Skopje to become and be recognised as a lead regional centre for green innovation in VET excellence.

CEGI journey: From establishment to date

- Capacity building of CoVE staff through international collaboration and international study visits
- Development of portfolio of services and instruments – continuously updated
- Promotion, communication and dissemination
- Workshops and trainings for raising awareness of green innovation, green skills and VET excellence
- Organisation of national and international competition “Best Business Concept for Green Innovation”

Students perspective

Competition “Best Business Concept for Green Innovation”, organised on 13th May 2023

“I like the overall competition, getting to know other teams and students and creating new contacts.”

“It is a very good experience. I learned a lot by hearing the presentation of the other teams and their innovative green ideas.”

“I felt like an entrepreneur in front of investors – great experience!”

“I enjoyed the creativity, innovative ideas and the overall organisation. I am really motivated to take part in such activities.”
