Skills in Green Transition

Typology of Green Skills

The EU Taxonomy encompasses a standard set of definitions for sustainable activities centered around six environmental objectives

green skills

LEED

AND INNOVATION
FOR INCLUSIVE GROWTH

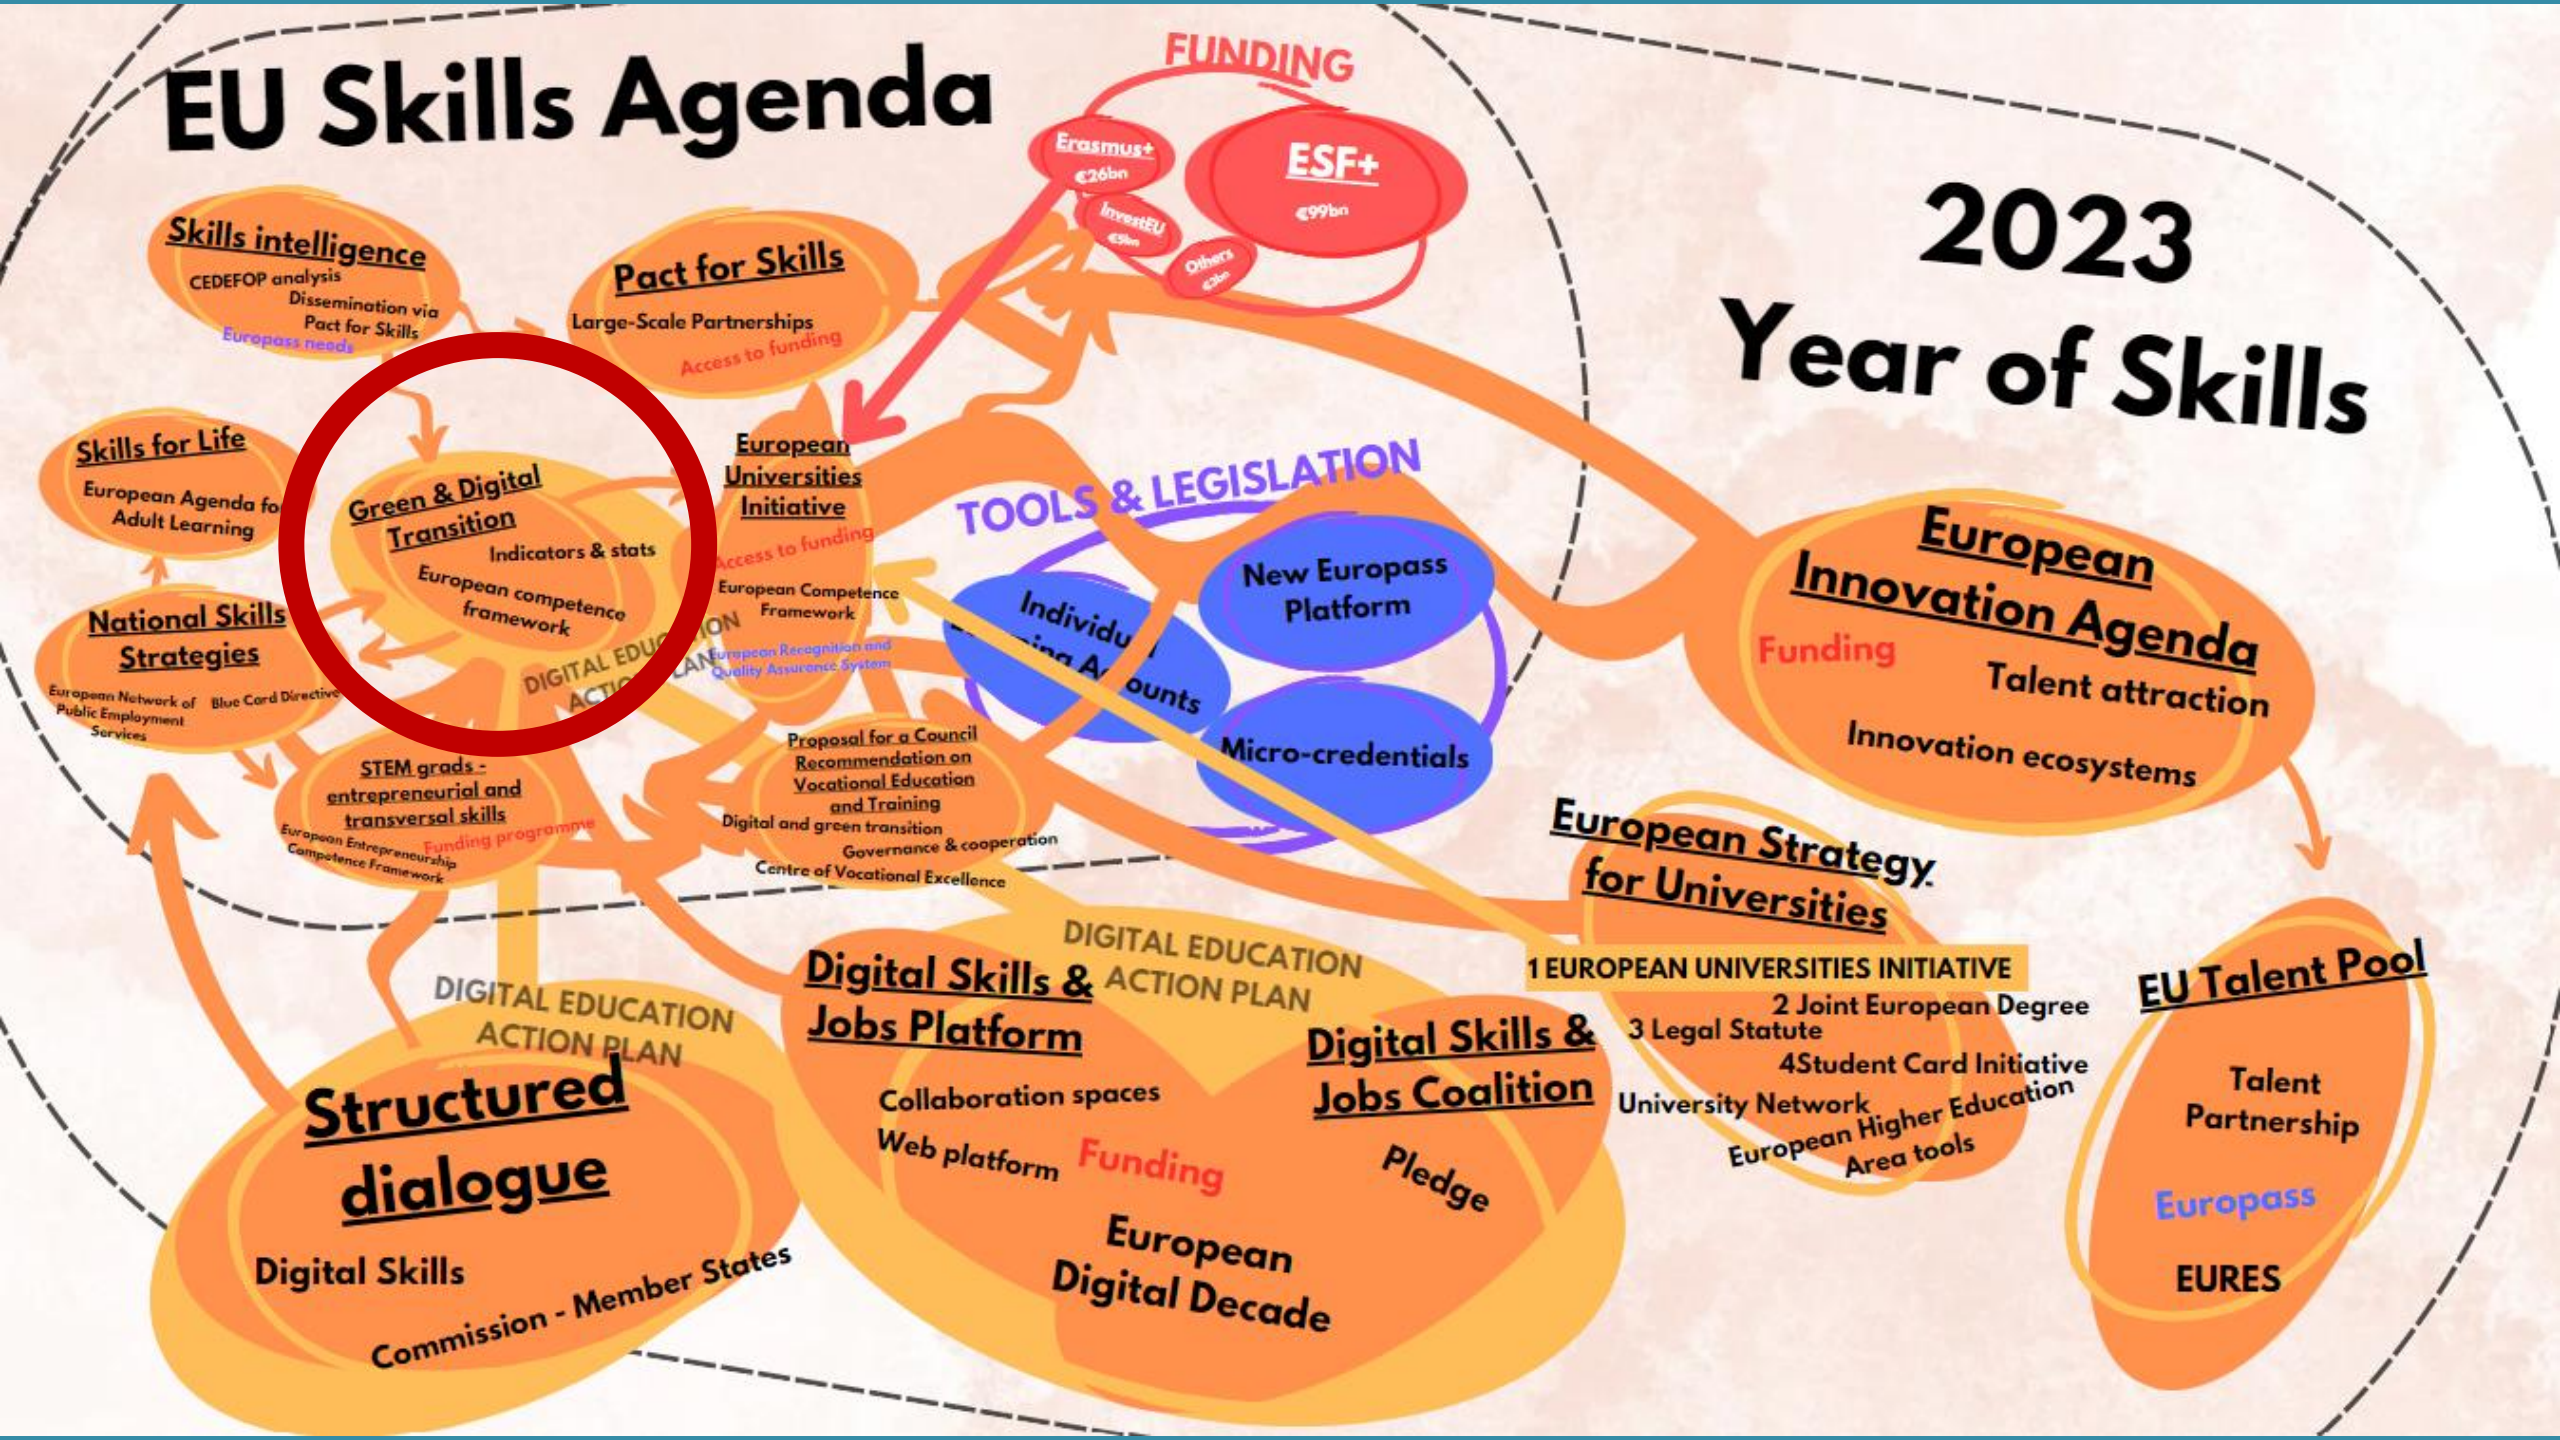

You use leadership skills to help businesses create the conditions for cleaner production, cleaner transportation and so on

You use teamwork skills to raise environmental awareness and coordinate and manage approaches to economic and ecological objectives

A European Answer: EU Skills Agenda

EU Skills Agenda

2023 Year of Skills

1. Education, training and life-long learning

Everyone has the right to quality and inclusive education, training and life-long learning in order to maintain and acquire skills that enable them to participate fully in society and manage successfully transitions in the labour market.

Eurocadres skills priorities

- **Right-to-Train**
 - Proper implementation (ILA elements?)
 - Paid & within working hours
- **Integrating skills to whole life cycle**
 - Lifelong learning –approach
 - Link between education and worklife
 - Strong in-work training for all levels of skills
- **Building talent, not importing it**
 - Re- and upskilling of existing workforce
