# What is YouVoteEU?

-----  
YouVoteEU is the most recent initiative undertaken by VoteWatch Europe, alongside other 4 European partners:

- Associazione Riparte il futuro (Italy)

- European Citizen Action Service (Belgium)

- Vouliwatch (Greece)

- Collegium Civitas (Poland)

# YouVoteEU:

---

- Was inspired by our past similar initiatives:

Electio2014 & MyVote2014

- It is conceived as an innovative digital platform aimed at stimulating the dialogue between all the actors involved in the upcoming 2019 European elections

## WHO WILL BENEFIT FROM THE PLATFORM?

- candidates who want to better promote their manifestos among the electorate;

- citizens who need to match their preferences with the politicians' agenda

- organizations and stakeholders interested in anticipating how the elections' outcome will impact their activities

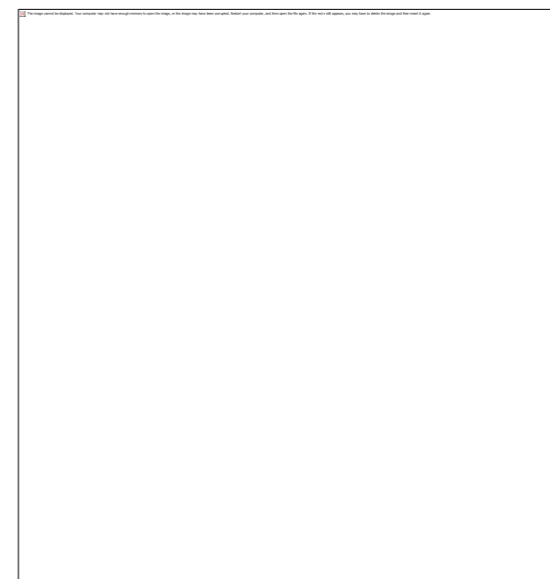

Everyone's views will be equally represented on the YouVoteEU platform.

## Why is YouVoteEU so important for the citizens?

- It provides the EU electorate with first-hand information about the voting behavior of their representatives in the EP;
- It helps the public to distinguish between pure speculations and actual facts;
- It allows stakeholders to assess the proposals of the EU elections' candidates.
