Working together for Sustainable Labour Markets

- Transnational cooperation project of 26 partners from 9 countries in the Baltic Sea Region, 2.7 million Euros
- Projects' focus countries are Estonia, Lithuania, Latvia and Poland
- BSLN looks for solutions to impacts of the economic crisis and mobility of labour in the Baltic Sea labour markets by using active labour market policies and social dialogue
- The *BSLN is a flagship project of the EU Baltic Sea Strategy*

BSLN Consists of

- ***A network of knowledge*** for experts, researchers and academics to provide a comprehensive picture of the challenges facing the Baltic Sea labour markets
- ***A forum of development*** for decision and policy makers to combine knowledge and ideas in order to come up with strategies, policies and practical solutions
- Resulting of these networks **Pilot projects** and the “***Pan-Baltic Labour Policy Agenda***”
